

The new language of
Remote Networking
that every global workforce needs

01

Discussing your profile

Work on showcasing your career path, personal and professional background, and work experience

02

Seeking Opportunities

Learn to outline plans and goals, and express interest in a role, job or project

03

Networking Events

Practice leading small talk and confidently participating in virtual events

04

Staying Connected

Develop the ability to manage relationships, establish new connections and share information online

Sign your global team up for a **five-week Sprint** to develop the **language skills and confidence** they need for **remote networking**
